

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

You, at the FCC must remember THE AIRWAVES BELONG TO THE PEOPLE!! not corporations. And they must serve the interests of THE PEOPLE not corporations. You have allowed corporations to take on to themselves the job of deciding what is in the people's interest. That is an abrogation of your responsibility to protect and oversee THE PEOPLE'S property.

DO YOUR JOB!!
